SOCIAL SERVICES

Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Human Resources numbered 1,227 for the month of July. The maximum board payment from the Department is based on the age of the child and is as follows: 0-2 years, $168.00; 3-5 years, $178.00; 6-12 years, $188.00; and 13-18 years, $198.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

SOCIAL SERVICES

Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Human Resources numbered 1,189 for the month of September. The maximum board payment from the Department is based on the age of the child and is as follows: 0-2 years, $168.00; 3-5 years, $178.00; 6-12 years, $188.00; and 13-18 years, $198.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

1/ Averages are not representative in some counties as children were sometimes at board for only part of the month. Also, in other instances, payments are higher than usual due to unusual care required because of special needs. Average payment should not be used to compute DHR financial obligation.

2/ Includes 6 State FCMP cases.

3/ In addition, there were 42 children in foster care for whom neither board payment nor specialized service fee was made.

Children receiving payment from the Aid to Children in Foster Care program provided through County Departments of Human Resources numbered 2,234 for the month of September . The maximum board payment from the Department is based on the age of the child and is as follows: 0-2 years, $168.00; 3-5 years, $178.00; 6-12 years, $188.00; and 13-18 years, $198.00. The average board payment per month may be less than the maximum because some of the childrn included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

1/ Excludes payments from private funds.

2/ Averages are not representative in some counties as children were sometimes at board for only part of the month. Also, in other instances, payments are higher than usual due to unusual care required because of special needs. Average payment should not be used to compute DHR financial obligation.

3/ Includes children under State supervision.

4/ In addition, there were 437 children in foster care for whom neither board payment nor specialized service fee was made.

Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Human Resources numbered 1,178 for the month of October. The maximum board payment from the Department is based on the age of the child and is as follows. 0-2 years, $176.00; 3-5 years, $187.00; 6-12 years, $197.00; and 13-18 years, $208.00. SOCIAL SERVICES

Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Human Resources numbered 1,151 for the month of November. The maximum board payment from the Department is based on the age of the child and is as follows: 0-2 years, $176.00; 3-5 years, $187.00; 6-12 years, $197.00; and 13-18 years, $208.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

1/ Averages are not representative in some counties as children were sometimes at board for only part of the month. Also, in other instances, payments are higher than usual due to unusual care required because of special needs. Average payment should not be used to compute DHR financial obligation.

2/ Includes 9 State FCMP cases.

3/ In addition, there were 42 children in foster care for whom neither board payment nor specialized service fee was made.

SOCIAL SERVICES

Children receiving payment from the Aid to Children in Foster Care program provided through County Departments of Human Resources numbered 2,316 for the month of November. The maximum board payment from the Department is based on the age of the child and is as follows: 0-2 years, $176.00; 3-5 years, $187.00; 6-12 years, $197.00 and 13-18 years, $208.00. The average board payment per month may be less than the maximum because some of the childrn included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

SOCIAL SERVICES

Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Human Resources numbered 1,127 for the month of December. The maximum board payment from the Department is based on the age of the child and is as follows: 0-2 years, $176.00; 3-5 years, $187.00; 6-12 years, $197.00; and 13-18 years, $208.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

2/ Averages are not representative in some counties as children were sometimes at board for only part of the month. Also, in other instances, payments are higher than usual due to unusual care required because of special needs. Average payment should not be used to compute DHR financial obligation.

3/ Includes children under State supervision.

4/ In addition, there were 490 children in foster care for whom neither board payment nor specialized service fee was made.

Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Human Resources numbered 1,118 for the month of February. The maximum board payment from the Department is based on the age of the child and is as follows: 0-2 years, $176.00; 3-5 years, $187.00; 6-12 years, $197.00; and 13-18 years, $208.00. 1/ Averages are not representative in some counties as children were sometimes at board for only part of the month. Also, in other instances, payments are higher than usual due to unusual care required because of special needs. Average payment should not be used to compute DHR financial obligation.

2/ Includes 4 State FCMP cases.

3/ In addition, there were 42 children in foster care for whom neither board payment nor specialized service fee was made.

1/ Excludes payments from private funds.

2/ Averages are not representative in some counties as children were sometimes at board for only part of the month. Also, in other instances, payments are higher than usual due to unusual care required because of special needs. Average payment should not be used to compute DHR financial obligation.

3/ Includes children under State supervision.

4/ In addition, there were 515 children in foster care for whom neither board payment nor specialized service fee was made.

CHILDREN UNDER CARE OF STATE DEPARTMENT OF HUMAN RESOURCES

Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Human Resources numbered 1,130 for the month of March. The maximum board payment from the Department is based on the age of the child and is as follows: 0-2 years, $176.00; 3-5 years, $187.00; 6-12 years, $197.00; and 13-18 years, $208.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

SOCIAL SERVICES

Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Human Resources numbered 1,107 for the month of April. The maximum board payment from the Department is based on the age of the child and is as follows: 0-2 years, $176.00; 3-5 years, $187.00; 6-12 years, $197.00; and 13-18 years, $208.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

1/ Averages are not representative in some counties as children were sometimes at board for only part of the month. Also, in other instances, payments are higher than usual due to unusual care required because of special needs. Average payment should not be used to compute DHR financial obligation.

2/ Includes 3 State FCMP cases.

3/ In addition, there were 43 children in foster care for whom neither board payment nor specialized service fee was made.

SOCIAL SERVICES

Children receiving payment from the Aid to Children in Foster Care program provided through County Departments of Human Resources numbered 2,397 for the month of April. The maximum board payment from the Department is based on the age of the child and is as follows: 0-2 years, $176.00; 3-5 years, $187.00; 6-12 years, $197.00 and 13-18 years, $208.00. The average board payment per month may be less than the maximum because some of the childrn included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Human Resources numbered 1,130 for the month of May. The maximum board payment from the Department is based on the age of the child and is as follows: 0-2 years, $176.00; 3-5 years, $187.00; 6-12 years, $197.00; and 13-18 years, $208.00. 1/ Excludes payments from private funds.

2/ Averages are not representative in some counties as children were sometimes at board for only part of the month. Also, in other instances, payments are higher than usual due to unusual care required because of special needs. Average payment should not be used to compute DHR financial obligation.

3/ Includes children under State supervision.

4/ In addition, there were 542 children in foster care for whom neither board payment nor specialized service fee was made.
